Bibliography: Accelerationism

Compiled and selected by Judith Tinnes, David Teiner and Darius Engel*

Abstract

This bibliography contains journal articles, book chapters, books, edited volumes, theses, grey literature, bibliographies and other resources on accelerationism – a specific form of anti-government extremism that aims to push the existing socio-political system toward a violent collapse. The compilation focuses on recent publications (up to December 2022) and should not be considered exhaustive. The literature has been retrieved by manually browsing more than 200 core and periphery sources in the field of Terrorism Studies. Additionally, full-text and reference retrieval systems have been employed to broaden the search.

Keywords: bibliography, resources, literature, accelerationism, anti-government extremism, right-wing extremism, Siege culture, Boogaloo movement, QAnon, Capitol insurrection, conspiracy

NB: All websites were last visited on 21.11.2022. - See also Note for the Reader at the end of this literature list.

*All authors contributed equally to this work.

Note

Whenever retrievable, URLs for freely available versions of subscription-based publications (e.g., self-archived manuscripts in institutional repositories, on professional networking sites, or author homepages) have been provided. Please note, that the content of such Green Open Access documents is not necessarily identical to the official publisher versions (e.g., in the case of preprints); it might therefore not have passed through all editorial phases publishers employ to ensure quality control (peer review, copy and layout editing etc.). In some cases, articles may only be cited after obtaining permission from the author(s).

About the Compilers

Judith Tinnes, *Ph.D., is a Professional Information Specialist. Since 2011, she works for the Leibniz Institute for Psychology (ZPID). Additionally, she serves as Information Resources Editor to 'Perspectives on Terrorism'. In her editorial role, she regularly compiles bibliographies and other resources for Terrorism Research (for an inventory, visit https://archive.org/details/terrorism-research-bibliographies) and runs the execution monitoring project 'Counting Lives Lost' (CLL). She wrote her doctoral thesis on Internet usage of Islamist terrorists and insurgents (focus: media-oriented hostage takings). E-mail: j.tinnes@gmx.de , Twitter: @CountingLivesPT*

David Teiner *is a Ph.D. Candidate and Research Assistant at the Chair of International Relations and Foreign Policy at Trier University. His research interests focus on UN and AU peacekeeping, critical security studies, contested statehood, organizational behavior of armed groups, and political violence. David also serves as an Associated Researcher at Freie Universität Berlin's Center for Interdisciplinary Peace and Conflict Research (INTERACT) and as an Assistant Information Resources Editor at Perspectives on Terrorism. Twitter: @david_teiner | Mastodon: https://sciences.social/@davidteiner*

Darius Engel *is an undergraduate student at Trier University, majoring in Political Science with a specialization in International Relations and a minor in Economics. He also works as a Student Research Assistant at Trier University's Chair of International Relations and Foreign Policy. His research interests include post-structuralist discourse analysis, terrorism, and international security studies.*
